PERSONAL PROFILE

I am a recent graduate with a Bachelor's degree in Management and Leadership, specializing in Business Administration, from the Management University of Africa. My academic background has equipped me with strong skills in strategic planning, organizational management, and business operations. I am currently pursuing a Diploma in Information Technology at KCA University to enhance my technical expertise and integrate business knowledge with digital and IT solutions. I am motivated, adaptable, and committed to continuous learning, with a strong interest in leveraging technology to improve business performance and innovation.
